

**Kitsap Regional Library**

**470 # 180025306 for Category 2 UPS Units in 2018**

**Q&A and Updates to RFP**

**02/16/2018**

**Q:** An electrician would be required to hardwire the facility prior to installation. Will you accept bids without this electrical work included?

**A:** The library will have a local electrician do the required electrical work for the UPS installation and that will be handled outside of the E-rate bidding process. As noted in the RFP, the library requests the system start up services which includes a technician to come out to make sure the unit is functioning properly and to give some training on its use.

**02/20/2018**

**Q:** How many years of preventive maintenance do you want on the quote?

**A:** Please include 3 years of preventive maintenance.
