

Dig Into Learning Challenge

Think of things you'd like to try this summer and choose a learning goal. Like planting an idea, your goal will need a plan and time to grow, but we're here to help. We'll guide you toward your goal by digging deeper into the work that allows your idea to blossom.

Dig Into Your Ideas

Think about something you'd like to try, learn or do. Write down your ideas, then pick one goal to try over the summer.

Circle the goal you're going to try!

Plant a Seed

Outline the steps to complete your goal, check them off as you go and tell us how it went!
