

Health & Testing Services

1. Does the use of our national network of clinics and lab partners count as subcontracting? **No, the intention was to not receive solicitations for referral commissions, and the responder is not the actual organizational itself.**
2. If so, would that automatically disqualify us from bidding? **No.**
3. What is the correct proposal submission deadline (the RFP lists both April 20 and May 4)? **May 4th.**
